To all our valued Customers, Friends & Business Associates,

We deeply apologize for any inconvenience this may cause you. Due to our email being hacked and our contacts being wiped out of our email account, after 18 years of business we have decided to change our email address. Effective immediately our new email is info@ec-ndt.com. You can also reach Richard Petter - petter_ecndt@yahoo.com.

I know most of our email contacts received a bogus email and I am hoping that nobody opened the attachment. Apparently, it came across as Adobe Business Doc and the attachment said "Confidential.pdf". It did not have any type of a personal message which if any of you know me it always has a smiley somewhere in the email message. For your safety please run some type of antivirus program on your computer.

Again, I apologize for any inconvenience this may or might cause you, If you need to contact us feel free to call Richard Petter's cell at 253-951-5948 or contact our toll-free number at 877-565-0797.

Thank you ☺
